

2024 IBA ACH Processing & Compliance Seminar

Presented by: Mark Dever, AAP, CAMS, FORVIS

May 21 — Cedar Rapids

May 22 — Johnston

This seminar brings you information you need to keep on top of the latest changes in the field of ACH processing. We will review the basis and structure of all ACH processing - the NACHA Rules. Treasury's Green Book - A Guide to Federal Government ACH Payments and Collections is discussed with a focus on the reclamation process, and Treasury's updates to 31 CFR 210. Compliance issues including updated OFAC impacts to ACH processing, SAR, and the federal focus on ACH as part of the annual BSA examination efforts are all highlighted.

Course Topics

- New and Recent NACHA Rules
 - Supplementing Fraud Detection Standards for WEB Debits
- The Latest on Federal Government Payments & Processing
 - Reclamation Process/IRS Tax Refund Processing FAQs
- 2024 Audit and Examination Guidelines
 - Annual Self-Audit Procedures: 2024 Focus Points
 - Federal Audit Guidelines on ACH
- Processing Risks
- Regulatory Impacts

Who Should Attend?

Individuals with operational, product management, compliance, risk management and audit responsibilities will benefit from this program. As a result of this program, attendees will have the basic framework needed to better understand ACH processing and compliance.

About the Speaker

Mark Dever

Mark W. Dever, AAP, CAMS, is a Director at FORVIS. Prior to joining the firm in 1996, Mr. Dever was Vice President and Manager of Cash Management Operations for a multi-billion-dollar regional bank holding company with several affiliates. He has extensive experience in many areas, including the automated clearing house (ACH), domestic wire transfer, affiliate bank post-acquisition conversions and consolidations, bank operation centralizations, and payment system risk. He teaches a variety of seminars including the ACH Processing and Compliance, and the Anti-Money Laundering and Bank Secrecy Act seminars. He has lectured at regional and national seminars, and at graduate schools of banking hosted by various bank associations and national industry groups. He has served on the faculty of both the OTS' Compliance I School, and the FDIC's Advanced Consumer Protection School. He has also taught undergraduate business and management classes in a community college setting.
