Contributions to the PAC are not tax-deductible. All contributions are voluntary and will be used for political purposes; you may refuse to contribute without reprisal. Contribution guidelines are only suggestions; you may contribute more or less than the suggested amounts and you will not be favored or disadvantaged based on the amount of your contribution or your decision not to contribute. Contributions from foreign nationals are prohibited. Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation, and name of employer of individuals whose contributions exceed \$200 in a calendar year.
