

2025 IBA Cybersecurity Seminar

Presented by: Cody Delzer, SBS CyberSecurity

August 19 — Cedar Rapids

August 20 — Johnston

This interactive, in-person seminar is designed to provide education on evolving cybersecurity threats and what your bank should do to prevent, detect, and respond to these threats. We will identify components of a comprehensive information security program that passes regulatory scrutiny and minimizes your risk of a security incident. This seminar will walk you through the FFIEC Cybersecurity Assessment guidance and introduce our complimentary tool that captures and reports Cybersecurity Assessment information.

Course Topics

Morning Topics:

- Modern Cyber Attacks are Automated
- Current Regulatory Guidance and GLBA Overview
- Use Your IS Risk Assessments to Make Better Decisions
- Responsibilities of an (C)ISO

Afternoon Topics:

- Incident Response Playbook Creation
- 2025 Big Attack Vectors
- AI in Banking: Strategic Insights and Practical Applications

Who Should Attend?

Information Security Officers, Compliance Officers, Information Technology Staff, Directors, Presidents, Vice Presidents, Loan Officers, Auditors, and Board of Directors.

REGISTRATION

August 19 — Cedar Rapids August 20 — Johnston

About the Speaker

Cody Delzer

Cody Delzer is Vice President of Information Security Consulting for SBS CyberSecurity, where he works to help organizations identify and understand cybersecurity risks to allow them to make better and more informed business decisions. Cody maintains his CISA certification and has a Bachelor of Science Degree in Computer and Network Security from Dakota State University, a Center of Academic Excellence in Information Assurance Education designated by the NSA. Since 2011, Cody has assisted financial institutions and other private industry organizations across the United States with a focus on IT and IT security, systems operations, and information assurance. Cody is an instructor for the SBS Institute certification program, performs speaking engagements, and conducts trainings. He additionally is a blog author, has had multiple articles published, and hosts educational webinars.
