2020 INFORMATION SECURITY OFFICER SEMINAR

Presented by: Tom Hinkel, Safe Systems

Tuesday, June 2, 2020 • Iowa Bankers Association

With intensifying regulatory requirements and the constant increase in the number of cyberattacks on customer information, a heavy burden has fallen on the shoulders of the ISO and they need to be prepared for the challenge. This seminar is specifically designed to help both new and experienced ISOs successfully navigate this critical role. The day-long seminar will provide the critical knowledge and skills needed to perform as an ISO in banking today.

**PROGRAM CONTENT**

- Understanding regulatory requirements and expectations
- Defining internal roles and responsibilities, such as:
  - Coordination with NetAdmins
  - Reporting to the Board
  - Quarterback of the IT Steering Committee
  - Interacting with Auditors and Examiners

2020 INFORMATION SECURITY OFFICER SEMINAR
Presented by: Tom Hinkel, Safe Systems
Tuesday, June 2, 2020 • Iowa Bankers Association

About the Speaker
Tom Hinkel, VP of Compliance Services, Compliance Guru
Tom Hinkel is responsible for ensuring that Safe Systems’ services incorporate and abide by appropriate financial industry regulations and best practices. In this position, Hinkel works closely with R&D, Product Management, and Operations Managers to ensure that new and existing services comply with FFIEC standards. Most importantly, by staying current on regulatory issues facing financial institutions, Hinkel serves as a major regulatory compliance resource for Safe Systems’ customers. With over twenty years experience, Hinkel’s areas of expertise spans the entire spectrum of information technology.

Hinkel has been with Safe Systems, Inc. since 2005, most recently as Director of Compliance. Hinkel holds a BA from Illinois Wesleyan University, an AA in computer programming, the GSEC security certification from the SANS Institute, the Certified Information Systems Auditor (CISA) designation and the Certified in Risk and Information Security Controls (CRISC) designation from ISACA, the Certification in Control Self-Assessment (CCSA) and Certified in Risk Management Assurance (CRMA) designations from The Institute of Internal Auditors (IIA), the Master Business Continuity Professional (MBCP) designation from the Disaster Recovery Institute (DRI), the Certified Third-party Risk Professional (CTPRP) designation from the Shared Assessment Group, and the Cybersecurity Advisory Services Certificate from the AICPA. Hinkel is also an instructor for the Southern Operations School of Banking.
